IMO NOx CERTIFICATION OF DIESEL ENGINES ACC. MARPOL ANNEX VI, REG. 13

Engine Family:	OXE 200
DNV GL Family Approval No.:	EIAPP-F-173453
Parent Engine:	OXE 200, Serial No.: 17F30308

Dear Mr. Flodman,

Enclosed please find the Technical File in accordance with Revised MARPOL Annex VI for the Parent Engine, provided with our sign of approval.

We have established internally the above mentioned engine group which covers all engines according to the approved engine group specification. The engine group will always be represented by the parent engine, its approved Technical File and the engine group documentation.

For application of member engine certificates, please always refer to the relevant DNV GL group approval no.. Every member engine shall be subject to a pre-certification survey in accordance with the procedure established to the parent engine to verify that the member engine rating, components and settings complies with the approved engine family specification.

Sincerely
for DNV GL SE
